

# MYSTIC MUSEUM OF ART

## Materials List

### Figure Drawing

*Jack Montmeat*

**Jack invites students to bring whichever materials he/she is already used to. The following are recommendations:**

- Yellow *Papermate Sharpwriters* mechanical pencils (available at any office supply/grocery store) \*AND/OR\* drawing pencils 2B, 3B, and or 4B with some type of pencil sharpener (for use on white paper)
- Wolff's Carbon Pencils 2B, 4B (like a charcoal pencil but cleaner -generally for working on a toned paper).
- Paper pad (white or off-white) approx. 16"x20"- 18"x24" or single sheets of paper (*Strathmore* premium recycled drawing paper is very good). Generally one should choose "drawing" quality over "sketch" quality. Please no newsprint.
- *Canson* toned paper (for use with carbon pencils). Mid-range grey is best, but any color will do
- Kneaded eraser
- Charcoal white pencil (for use on toned paper)

**Optional, but recommended:** A drawing board. The best drawing board is simply a piece of **Masonite** from Lowe's or Home Depot cut to a bit larger than the paper you are using (16"x20" or 19"x25" best)

Masking tape (for taping sheets to drawing board)

\*Important note: It is up to the student to decide to experiment with the toned paper and carbon pencils or to just use white paper and drawing pencils. ***Need supplies for your class?***

Most items above are available at AC Moore, Michaels, and other art stores.

The following locations offer a 20% discount to those taking classes at the Mystic Museum of Art.

Students must show this supply list at check-out for discount to apply.
