# Annual Members Exhibiton 2015

**M**embers are the heart of Mystic Arts Center. They represent the majority of our exhibiting artists throughout the year and help to create the vibrant energy behind MAC's programs — from opening receptions to premium cultural performances, studio talks and unique educational arts classes.

Our respect and gratitude for our members is great, and without them and their volunteer spirit we would not be the organization we are today — and we are honored to host this special exhibition highlighting their work. Each piece you see today was hand-selected by the artist members themselves and represents a unique style, personality, subject matter and medium. Together, however, these individual works form a rich tapestry that underscores the diversity within our thriving regional arts community.

## The Elected Artists 2015

Working toward Elected Artist Membership is the goal of many of our artist members at the Mystic Arts Center. In order to qualify for Elected Artist Membership the artist must prove acceptance into four Mystic Arts Center juried shows within any twenty-four month period. The Mystic Arts Center and the Connecticut Academy of Fine Arts, which holds its annual exhibit at the Mystic Arts Center each spring, have entered into a reciprocal agreement. All works that are juried into the CAFA Show are eligible for both a CAFA and Mystic Arts Center juried requirement. This agreement enables Mystic Arts Center artists to have an additional opportunity each year to submit to a juried show, thus bringing the total number of juried shows a year to three.

Elected Artist Membership costs \$45 a year. Members are awarded a certificate at the Annual Meeting. Their name is listed in the Annual Report and they are entitled to participate in the Annual Elected Artist Show.

In 2014, seventeen artists attained the distinction of Elected Artist Member. For their perseverance and dedication to their craft, we congratulate the following artists:
