

MYSTIC MUSEUM OF ART

Mission

The mission of the *Young At Art* (YAA) exhibition is to showcase the creativity of children by giving them the opportunity to hang their works in a museum setting and view the work of their contemporaries. Our goal is to broaden students' perspectives on the creative process and inform the community about how teachers use art to advance learning. The YAA Exhibition supports the Mystic Museum of Art's (MMoA) commitment to education and to the enrichment of children's lives.
